Dear Chris,

SHRI MATAJI NIRMALA DEVI is extremely happy to know of the great success which the recent SAHAJI MISSION TO SRI LANKA achieved during its recent visit. Kindly convey all her HER LOVE AND BLESSINGS TO ALL SAHAJA YOGIS and YOGINIS who participated in this much needed historic Mission.

SHRI MATAJI wishes similar success to all other SAHAJA Missions which are now being planned by Indian SAHAJA YOGIS. SHE hopes and indeed believes that SAHAJA YOGIS can create a new and loving relationship between all citizens of SRI LANKA, regardless of their background, and thus create a new, loving and caring society in SRI LANKA.

With all HER love and my warmest regards to you.

C.P. Srivastava
