Dear Chris,

SHRI MATAJI NIRMALA DEVI has just seen the Video about the "REALISE ASIA TOUR 2010 – MUSIC OF JOY" organised by the Australian Sahaja Yogis under your dedicated and visionary leadership. So many countries in Asia were visited by the Australian Sahaja Yoga group and everywhere they arranged "Self-realisation" programmes with SAHAJA music in which all present participated with great joy and got their Self-realisation. Thanks to you, SHRI MATAJI's mission, entrusted by HER to the National Sahaja Leaders, to spread the Divine message of SAHAJA YOGA, has had an inspiring beginning. All of us here were greatly moved and tears of joy came to our eyes.

SHRI MATAJI's vision of the entire world living together with pure love for all will be realized when SAHAJA YOGIS around the world arrange similar missions to neighbouring countries.

I would like to have 25 copies of this Video which I will send to SAHAJA LEADERS in India. They are already arranging SAHAJA missions to neighbouring countries and they will feel greatly inspired by your example.

With SHRI MATAJI's love and my feelings of deepest admiration.
